

# Thursday Night Crazy 8's for Walnut Creek Pickleball Club Members!

## [Registration LINK](#)

**Crazy 8's** - Crazy 8's is a format that I created (with the help of some friends) and many players seem to enjoy. The format of play is designed so that players play mostly with others of similar skill levels and you get 5-6 competitive games per night. Your ranking in the Crazy 8's is based upon your winning percentage (the ratio of points won to total points possible). Players will move up or down the groups based upon their winning percentage. The results of the ten most recent weeks of play will be used for this calculation.

Each week, players will be placed in groups of 8 in the order of their ranking. Groups are seeded to start the night, Team A will play Team B on a Court Designated as the "Loser Court" and Team C will play Team D on a Court Designated as the "Winners Court". Players play one game to 11 (win by 1), after the first game the Winners on the "Loser Court" will stay together and challenge the winners on the "Winner Court". The losers on the "Winner Court" will move to the "Loser Court" and split up with the loser's from the "Loser Court". Play another game to 11 (win by 1) and repeat. Stay together when you win, split up when you lose! All players will play as many doubles games as possible from 6 PM to 7:30 PM in a round robin fashion with the other seven players of the Crazy 8. At the start of the game, team nearest the center net starts serving first .

Due to a limit of 8 courts at Rudgear Park space will be limited to 32 players per week.

We will be collecting money to cover the cost of the court rentals and balls.

- 1 \$10 Per Month for Thursday Crazy 8's (6PM at Rudgear Park) You will have early registration (7 days prior to the event) and be guaranteed a weekly spot. Space will be limited to 32 players on Thursday Night.
- 2 "Play as you Play" \$5 per event. You will have access to registration 2 days prior to the event on a space available basis.
